AH1

AH1

The Aria AH chair creates a sleek minimalistic look for any boardroom or office environment.

The simplicity of design and firm support is what sets this range apart from traditional office seating.

The mechanism features an anti-shock, lockable knee tilt mechanism with tension adjuster to suit the weight of the user.

AMCA

CH1

CH1

The Aria CH chairs are an ideal solution for managerial, executive and boardroom areas.

Featuring the classic and timeless lines of the AH range, CH chairs also benefit from the addition of soft touch cushioning which users will find beneficial for prolonged periods of seating.

The mechanism features an anti-shock, lockable knee tilt mechanism with tension adjuster to suit the weight of the user.
